

2008-2009 TCA Umbrella HOME Program

The TCA Umbrella HOME program is designed for 1st – 8th grade students only and whose parents want to choose their own teaching curriculum. TCA will determine the child's right to advance to the next grade based on the results of the Stanford Achievement Test and/or portfolio created for the child.

TCA agrees to provide:

- enrollment as a TCA student
- transcript to track students grades
- participation in local or field trip activities associated with students grade level
- participation in school plays
- evaluation of child's ability to move to next grade level

Parents agree to provide:

- semester grade for each subject no later than 3 days after semester ends
- students presence to take SAT test with other TCA students
